## SUPPORT YOUTH BASEBALL SPONSOR THE NORTHUMBERLAND BASEBALL ASSOCIATION

### Make A Difference In Our Community

The Northumberland Baseball Association (NBA) provides local youth (ages 4 to 17) with opportunities to grow, learn, and succeed through baseball. The associations only source of revenue is registration fees. In the interest of keeping registration fees low we have decided to reach out to the wider community for sponsorship support.

### Why Sponsor NBA?

**Positive Community Impact:** Your support helps young players develop life skills such as teamwork, leadership and discipline.

**Increased exposure:** Showcase your business through our website and Facebook reaching hundreds of local families and fans.

**Build Connections:** Align your brand with a trusted, family friendly organization while supporting youth sports in the community.

### Sponsorships Available:

**Equipment Sponsor:** Replace outdated catchers' equipment, buy ball machines, replace worn out bases, buy baseballs etc.

**House League Division Sponsors:** We have six house league divisions. Help sponsor a division with your name attached to that division.

**Spring Training Sponsor:** Sponsor some of the costs associated with the cost of indoor facility rentals for indoor spring training initiatives.

**Year End House League Wrap Up Day Sponsor:** Sponsor a portion of the cost for NBA House League Wrap up Day (medals, pizza, drink etc.).
